Message from the Chair;

I hope that everyone is enjoying the last of his or her summer! The Executive Board is working hard to present a variety of section meetings and education opportunities for the upcoming year.

One major change this year will be with our newsletter. The newsletter will be mailed out again in January. Meeting announcements will be sent monthly as postcards. As always, the Section web site will remain your primary source of information concerning section news and events.

Congratulations to Ken Morman for being recognized with the 2004 Pizar Award for his contribution's to the section!

Congratulations also to Barbara Morin, the lucky winner of both \$750 Dennis Bennett Scholarships!

A reminder that the 55th Northeast Quality Conference is coming this October to Marlborough. Visit www.neqc.org for details.

In the spirit of continuous improvement please do not hesitate to contact me or anyone on the E-board with any comments or suggestions. I am looking forward to seeing you soon at an upcoming section meeting.

Sincerely,
Robert Cook
